

FAASTeam presents:

# Honolulu Tower Tour 'Operation Raincheck'

Description: This event, graciously hosted by the Honolulu Control Facility, will offer you a unique look at the world and work of Aircraft Controllers, give you a chance to ask questions of the controllers and offer comments as well.

This event has attendance limited to twenty (20) people ONLY! You must be a United States Citizen and to get HNL Tower access you will need to bring a Passport, Passport Card, Birth Certificate, or other government-issued document showing you are a US Citizen). If you are in the first twenty to register, you will receive an email confirming your position. If you receive that email, you will need to respond by providing your first and last names, date of birth and last four numbers of your social security number before November 7, 2013.

Please read & heed ALL the NOTES posted in the "Directions/ Room #" section immediately above.

Select #: WP1352490

FPM SCOTT EVERETT ALLEN

**Directions:** NOTE 1 of 4): It is vital to comply fully with these procedures to avoid disappointment. This event will require access to Hickam AFB and given the time we've got, only US Citizens will be eligible to attend this event. We will be able to invite foreign nationals to future events, but given the time required to obtain base and tower clearance, it is not possible this time. If you can carpool, it will help, but even if you carpool with someone having base access, you will STILL NEED TO PROVIDE YOUR FIRST AND LAST NAME, LAST FOUR NUMBERS OF YOUR SOCIAL SECURITY NUMBER AND DATE OF BIRTH.

NOTE 2 of 4): Joint Base Pearl Harbor-Hickam (JBPHH) uses a pass-system requiring advance notification to allow them to conduct the checks required by base regulations to process base access requests. Once the checks are completed, JBPHH will email passes to the event coordinator who will print them and distribute them; this will occur at 5:00 PM in the Hickam AFB Main (O'Malley) Gate Visitor Coordination Center (VCC) parking area. The VCC is off to the right, just outside the Main Gate). Guests then sign their passes and place them in their windshield area.

NOTE 3 of 4): If you are among the first twenty to register on [faasafety.gov](http://faasafety.gov), you'll receive an email confirming your reservation. You will reply to that email by providing your first & last name, the last four numbers of your Social Security Number, and your Date of Birth. (If you do not receive such an email, it means there were no openings left (so please do try again next time) but please do not come to the Hickam gate for this event, because they will not grant base access.)

NOTE 4 of 4): There is a LOT of interest and we don't have room for everyone, so if your space is confirmed but for any reason you subsequently find yourself unable to attend, please advise our Event Coordinator, John Ganjali (listed below) immediately, so we will be able to offer that position to someone else. Mahalo in anticipation of your courtesy. Also,

please Dress appropriately. (No shorts or T-shirts. Show you are a professional and please dress professionally.)

**A message from the National FAASafety Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
